Welcome to SOFD 2023

A MESSAGE FROM THE CHAIRPERSON

Something Old, Something New!!

With "old" being part of our festival name, we understand the importance of protecting the history and heritage of the "old days," which were some of the best times of our parents', grandparents' and great grandparents' lives and were likely the foundation of America as we stand today, but with those traditions comes change. The beliefs our ancestors had didn't last forever and thus came the many innovations, creations, ideas, and technologies that brought us to where we are today—so change can be a good thing!

Therefore, the SOFD Committee has made some changes and put a little "new" in this year's festival: First, the Pageant has been moved to Friday evening this year, in hopes that spectators will have an easier time making it down to the stage after the work week to see who will win a crown. Additionally, we are bringing in a Carnival with amusements for kids. While we are sad to not have the Ultimate Air Dogs back this year, we believe this will better serve our community in general based on dozens of requests over the past few years for the return of a carnival space. Lastly, stage entertainment will look a bit different this year with a Variety Show, Karaoke Night, and Magic Shows!!!

In other areas, SOFD remains true to its name and will continue to bring you the good old events and activities you have come to enjoy and support over the years! Traditional events including the Tractor, Car, and Motorcycle Shows; Parades, Kids Events, Cornhole, and Mud Volleyball are all making a return for your festival adventures!

We cannot thank our family of sponsors and donors enough for their support. This year, we welcomed several new supporters and continued to appreciate the loyal supporters of the past who we've come to depend on. THANK YOU!! Also, the festival's success would not be possible without the many hours our volunteers and committee members devote to bringing you the best possible experience on our small town streets. THANK YOU!! Plus, the extra efforts the City of Stanton and all of their dedicated employees at City Hall, the Police Department, Public Works and the Fire Department put in to making this event do not go unnoticed. THANK YOU!!

If there is something we can do to help you enjoy your weekend even more, or if you have an idea, comment, or suggestion, please let us know; we'd love to hear from you at stantonofd.com/contact. Thank you for coming to SOFD 2023 and showing your support!!

Have a GREAT weekend!

Steven D. VanHolstyn

Festival Guidelines

The Stanton Old Fashioned Days Committee and the City of Stanton want the festival to be fun and safe for everyone, so we ask that you please follow the guidelines below. For assistance, visit the Information Booth next to Huntington Bank or speak to any of our SOFD Volunteers, wearing teal shirts.

- **Monitor your children at all times.** Do not let them run into the street to pick up candy during parades.
- **Respect road closed signs/barriers** and follow detour routes. This is for the safety of all who attend and participate in festival events. Moving or circumventing a barricade is a civil infraction under Michigan law.
- **No riding bicycles or skate boards** on sidewalks, closed streets, or other pedestrian areas. In these areas, you may walk your bike, park it in one of the many bike racks available, or carry your board.
- **Local businesses will be open;** use Pine or Walnut St, and side streets.
- **No Drugs or Alcohol** will be permitted at official events hosted by Stanton Old Fashioned Days.
- **All pets must be on a leash** and under the control of their person.

2023 Grand Marshal

PATTY ROCKAFELLOW

On March 19, 1961, Stanton welcomed a new resident into town. Her name was Patty Rockafellow. Patty is the daughter of Elton and Wilma Baldwin, who were SOFD Grand Marshals in 2017.

Patty spent most of her childhood hanging out with her neighbors, as spending time with the ones around her is something she enjoys. She was not a sports girl in school, but was in lots of productions and very active in theater. (Patty also added that she is very excited that Central Montcalm is looking into getting a performing arts center with an auditorium—this coming from someone who performed on the current middle school cafeteria stage 40 some years ago.)

Patty graduated from Central Montcalm High School in 1979. She then went on to Central Michigan University, where she majored in Biology and Art, and got her Bachelor of Science degree, with other additional graduate course work. She received her teaching certificate, and continued her career as a teacher at Central Montcalm Public Schools for 30 years, teaching many grades at both the elementary in Sheridan and also at the Upper Elementary.

Patty has been involved in a number of clubs and organizations within her community. These include being a part of the Stanton Rotary Club, Heritage Village, and Heartland Trail

Board, belonging to and serving the First Congregational Church of Stanton, and working as the former director of the White Pine District Library. Being one of the instigators in getting the Library moved to its newly renovated location on New Street, she is very proud of that new library! In her free time, she enjoys golfing, gardening, spending time with her grandkids, and taking care of her mom.

Patty said that Stanton is her home, and it just feels comfortable. She stated, "I know every street and sidewalk, I love the maple trees that line the streets, I love the people, those people being ones I have known for a long time, or children of people I have known." She added that she is very honored and also a bit surprised to be chosen as the Grand Marshal this year. She said she lives in Fenwick, but spends a lot of her time here in Stanton.

When asked if she had any other stories to share about her small-town life in Stanton, Patty got a little emotional. "When I go up Court Street, that's my old neighborhood. I think back to when I lived there, and it saddens me because almost all of my old neighbors are gone or passed away, and my childhood was spent on those streets and those sidewalks with those wonderful people, but the memories sure live on."

Krantz Garden Tour

Anyone with a love of gardening or flowers won't want to miss the opportunity to visit this hidden oasis in the heart of Stanton. The Krantzes' famous gardens, located at **300 N. Mill St.**, will be open both **FRIDAY AND SATURDAY FROM 6 TO 9 P.M.** during the festival. The community is invited to spend some time enjoying the beauty of nature, so be sure to allot a good amount of time to tour the vast Krantz Garden.

Looking for a project to keep them busy, the Krantzes' garden was first started in 1996 with a couple of beds in their front yard. Without a lot of gardening experience the Krantzes started out as self-proclaimed, "trial and error gardeners," learning as they went.

In 1997 they purchased the lots behind their house, which, at the time, contained a large vegetable garden. Their original plan was to continue growing vegetables, but by the end of each summer the garden was full of weeds.

Around this time they also began planting flowers on some of the hills behind their house that were difficult to mow. As time went on and their gardens continued to expand and grow, the Krantzes learned the importance of mulching and planting the perennials close together to help control weeds.

By the spring of 2000, the Krantzes' little hobby of gardening had

turned into a full blown addiction and the vegetable garden was officially turned into a flower garden, complete with grass paths. The Krantzes' garden is always changing and evolving, and each year something new is added.

Their first garden walk was in 2001 and they have been the talk of the town ever since. The Krantzes' garden was featured in the Summer 2011 issue of *Country Gardens* magazine and in the March 2014 issue of *Better Homes & Gardens*.

If you'd like to see a preview of their garden, visit Peggy's Pinterest board at tiny.cc/krantzgarden to see photos of the Krantz Garden. The Krantzes have stated that it's always fun to share the garden with the many people who stop by to visit; however, they realize they are just planters of what God has created.

Their latest project has been on Main Street in Stanton where they have led a group of volunteers who have given their time to revitalize and maintain the streetscapes in front of the businesses. Be sure to take time to admire the planters downtown during the festival, and say thank you if you happen to see Peggy and Loren!

Stanton Old Fashioned Days would like to thank the Krantzes for their dedication to the City of Stanton and willingness to open up their beautiful private gardens to the public during festival.

Miss Stanton Scholarship Pageant

MISS STANTON

The Miss Stanton Scholarship Pageant is a long standing tradition that provides an opportunity for young ladies from the Central Montcalm School District to compete for the title of Miss Stanton. The pageant takes place in two phases: Private Interview and On-Stage Competition. The public is invited to join us downtown on **FRIDAY AT 6:00 P.M.** at the **STAGE** in the former bank parking lot on Main Street for the on-stage portion. That evening, our Miss Stanton candidates will compete in five categories: Athletic Wear, Platform, Talent, Formal Wear, and Final Question.

Miss Stanton will receive a scholarship to Montcalm Community College, along with a scholarship from Stanton Old Fashioned Days. She will be present along with her court at many events throughout SOFD weekend and will help lead the Grand Parade on Saturday. These lucky young ladies will also fulfill their duties by representing Stanton throughout the year, attending several parades and festivals, and volunteering at many community events.

KIDS COURT: DUKE & DUCHESS; PRINCE & PRINCESS

The Prince and Princess competition is open to children ages 3-6 years old, who reside in the Central Montcalm School District.

The Duke and Duchess competition is open to children ages 7-10 years old, who reside in the Central Montcalm School District

All candidates take part in Private Interview phase. They also take to the stage on Thursday night for a walk through along with an age appropriate question from the emcee. Each title winner is welcome and encouraged to take part in all of the activities throughout the year with Miss Stanton and Jr. Miss Stanton.

Parades

GRAND PARADE

Everyone is guaranteed a good time at the SOFD Grand Parade, so be sure to find a good spot along **MAIN STREET**, from N State to Mill St on **SATURDAY AT 1:00 P.M.**

The Grand Parade features entries ranging from floats to antique cars and tractors, musical groups, horses, and everything in between. Additionally, this year's SOFD Grand Marshal, Patty Rockafellow, will be featured, so don't miss the opportunity to give a wave to show appreciation for all of her years of dedication to the Stanton community. Individuals and groups of all kinds are encouraged to participate in the parade and show everyone your community pride.

Pre-registration is not necessary; however, registration forms are available at stantonofd.com. Print off the form, fill it out and bring it with you, or you may complete the form at the registration booth the day of the parade. Members of the Stanton Rotary Club will be organizing the parade in the Save-a-Lot parking lot, on W. Day St. just west of M-66 (follow the parade registration signs). Line up starts at 11:00 A.M.

Please Note: Candy cannot be thrown from vehicles or floats; instead, candy and other items must be distributed by walkers closer to the crowd for the safety of children. All horse riders must supply a cleanup crew to follow directly behind their horses; streets must be clean for the car show, foot traffic, and food vendors following the parade.

FIREFIGHTER'S PARADE

The Firefighter's Parade will take place at twilight on **FRIDAY AROUND 9:00 P.M.**, following the talent show.

This is our opportunity to honor the men and women who serve through local fire, EMS, and police departments that strive to keep us safe every day and prevent tragedies.

Under a dusk sky, Main Street in Stanton will be aglow with the lights and sirens of fire trucks and emergency vehicles from departments stationed all across Montcalm County and the surrounding communities.

KIDDIE PARADE

Kids, would you like to be in your very own parade? Be creative and come up with a fun costume or decorate your bike or wagon. You can even invite your whole family to participate!

There will be goodies for each participant and cash prizes for the 1st, 2nd, and 3rd place entries with the best costumes or decorations. Participants need to line-up for the parade on **SATURDAY AT NOON**, at **ZERKA'S PARTY STORE ON MAIN ST.** The parade heads down Main Street and ends at the Stage area.

Magic Shows

NEW for 2023!!!! Coming to Stanton Old Fashioned Days all the way from New Orleans, Louisiana! As a native of Michigan, magical entertainer Drake Watson is bringing his Hometown Roots Tour back to where it all started, his home state!

Drake's Mystic Magic Show is a whacked out blend of mystery, comedy and sleight of hand. The show is packed full of audience participation, laughter and lots of family fun, with rope tricks, card tricks, silks, colorful props and even LIVE goldfish! You especially won't want to miss watching for one second as Drake does his straight jacket Escape in honor of Harry Houdini's death in 1926, 96 years ago, as seen on CW Network and NBC.

The best thing about Drake's show is that he never gets hurt...97% of the time 😊. If you don't see it you'll miss it. Be sure to catch one of his performances on stage or on street throughout the Festival.

Tractor Show

No small-town festival would be complete without a tractor show, and our annual SOFD show won't disappoint! Tractors of all makes and models, including garden tractors, will line **MAIN STREET** on **SATURDAY** morning from **8:00 A.M. TO NOON**.

For these tractor owners, their tractor is not only a piece of work equipment, but it is also a treasure from the past that they are proud of. Many of the tractors on display are second and third generation owned. Come see and hear the history of farming as you take in the many tractors on display.

As you begin your morning stroll downtown, be sure to pay a visit to the ladies of the Stanton Women's Club, who will have coffee, juice, donuts, and other items for sale from 8:00 to 10:00 A.M. during the tractor show. You'll find them on the sidewalk in front of Main Street Music Studio. Proceeds will be used to support the Trinity, Hope, and VFW Food Pantries, Stanton Baby Pantry, Stanton Women's Club Scholarship for CMPS students, and Dolly Parton's Imagination Library for children in Montcalm County.

For those interested in entering the show, registration and staging will be located at the Montcalm County Road Commission starting at 7:00 A.M., where tractors and their drivers will unload and wait to proceed onto Main Street for a morning of festival fun, showing off their old iron. As the show winds down around 12:00 P.M., those who wish to be in the Grand Parade may head toward the parade line up. No pre-registration is needed and there is no cost for participation.

Car Show

Sponsored by Frontline Towing & Recovery

You won't want to miss Historic Downtown Stanton come to life on **SATURDAY FROM 3:30 TO 7:00 P.M.** The Car Show has been a main event for SOFD since its start in 1986 with about 50 cars on display. Since then, this event has continued to grow, attracting hundreds of classic cars and trucks to our city each summer. Spectators, both young and old, enjoy strolling Main Street admiring one car after another, picturing their dream car or reminiscing about the past.

Have a vehicle you want to show-off? Registration is from 3:00 to 3:30 P.M. at the intersection of N Court and Main Street. (IMPORTANT: Follow the official detour route and enter from the north). There is a \$20 day-of registration fee (or \$15 with pre-registration). After registration, you will be directed to proceed to your assigned parking spot.

Please note that this is different from previous years. The show is later to give time for the crowd to disperse after the Grand Parade, and registration is immediately before the show, so there will not be a designated area for staging. For registrations after 3:30 P.M., the registration booth will be relocated near the former bank building on Main Street, but you will still be expected to enter at the intersection of N Court and Main Street.

Once parked, each vehicle owner can fold out their lawn chairs, sit back, and chat with the many visitors that pause to admire their entry. Judges will choose the *Top 30* from all of the entries and a *Best in Show* award will be determined by people's choice. An awards ceremony is expected to take place around 6:30 P.M.

As the show wraps up for the night, car show participants are asked to please remember that safety is our #1 priority as they pull out of town and bid farewell. Burnouts and tire chirping or squealing are prohibited and will be monitored by law enforcement.

For more details, or to pre-register, visit stantonofd.com/car-show. For questions, call Brandon at (989) 287-0871.
